At our meeting on Wednesday, [redacted] told me that he would supply me with the men I needed for the instruction I wanted if I would submit to him a written memorandum. Attached is the memorandum. I see no need for this to go to [redacted] over the DTR's signature, but I will do so if you desire. Some very tricky matters of authority are going to be involved in the next few days.

From three o'clock on, I will be in [redacted]. I would appreciate it if you would call me there.
